Questionnaire outcome

12 no's

If you answered no to all of the above questions, your answers indicate that you do not currently experience difficulty hearing. Please keep in mind, however, that a professional hearing test is required to accurately confirm normal hearing.

Up to 5 yes's

If you answered yes to up to 5 of the above questions, your answers indicate that you may show some signs of hearing difficulty, but it might not be significant enough to affect all aspects of your lifestyle. Please keep in mind, however, that a professional hearing test is required to accurately diagnose the extent of any hearing loss.

6 or more yes's

If you answered yes to 6 or more of the above questions, your answers indicate that you show some signs of hearing difficulty, and it might be affecting your lifestyle. Please keep in mind, however, that a professional hearing test is required to accurately diagnose the extent of any hearing loss.

If you have further questions, or you wish to make an appointment for a comprehensive diagnostic hearing test, please contact our friendly local staff directly on (07) 4952 4649 or email us at listening@mackayhearing.com.au
